

Room Selection Proxy Form

Student Name: (please print) _____

Proxy Name: (please print) _____

I am unable to attend room selection during my scheduled time, as a result, I have asked a proxy to select my room for me. I have carefully discussed my room selection options with the proxy named above. S/he has my permission to select a room for me during the room selection process. I understand that I will be expected to keep the room selected by my proxy. If I am dissatisfied with the room selected, I will not be able to change the assignment until the room selection process is completed.

My signature below indicates I have read and understand the information as outlined above.
